**The Great Slave Uprising of 1811, Chapter 8, section 2**

**DIRECTIONS:** First read the article by Daniel Rasmussen and then read the two paragraphs of “The Great Slave Uprising of 1811” on page 227 of the eBook or the copied excerpt. Answer the following:

1) How are the first two paragraphs of the Daniel Rasmussen article notably different from the paragraphs of the eBook description of the Great Slave Uprising of 1811?
______________________________________________________________________
______________________________________________________________________
______________________________________________________________________

2) How is the GSU of 1811 different from the other uprisings mentioned in the article?
______________________________________________________________________

3) List three (3) differences between both readings of the slave uprising.
   a) ____________________________________________________________________
   b) ___________________ __________________________________________________
   c) ____________________________________________________________________

4) Why do you think the textbook is less graphic in its description about the events of the uprising?
______________________________________________________________________
______________________________________________________________________
______________________________________________________________________
______________________________________________________________________

(Turn over)
4a) Do you agree with using the textbook’s less graphic account?  **YES** or **NO**

Explain ________________________________________________________________

______________________________________________________________________

5) Why were heads displayed on poles and bodies dangled from the gates?

______________________________________________________________________

6) Why do you think “letters and newspaper accounts...played down the massive uprising and its brutal suppression?”

______________________________________________________________________

______________________________________________________________________

7) Do you agree with Rasmussen’s statement that “the slaves who fought and died in the cane fields represent the best of America?”  **YES** or **NO**

Explain ________________________________________________________________

______________________________________________________________________

______________________________________________________________________

______________________________________________________________________

Is history written by the winners?  **YES** or **NO**
